About This Property

HISTORIC HARRISTOWN DEPOT

THE PROPERTY DETAILS

Own a historical building! This property has hosted multiple businesses including furniture business and antique mall. It is in a TIF district. The building is divided into 3 sections each with its own heating and air conditioning all newly installed. Many improvements have been made recently. One is a viable living area. Kitchen, living room, library, bathroom and bedroom to name a few. There is one full bathroom and one half bathroom. In 2020 a new corrugated metal roof was

installed on entire building with older section made to simulate original tile. Too many improvements to list here. Part of the backyard is fenced in. Imagine living here while starting your own business! The possibilities are endless.
