Welcome!

Located in the center of the state, just hours from Chicago, St. Louis, and Indianapolis, Decatur, Illinois is powered by our rich agricultural identity. Our rolling farmlands, our lush prairie soil, and our corporate community all combine to make us an important global contributor. We feed the world. We fuel the world.

But it's not our Power that makes Decatur home. It's our People.

It's our friends who own unique downtown shops and restaurants, all ready to welcome us through their doors and delight our senses with something new. It's our colleagues from the business community who support our vision, and root for our success. It's our artist community which adds value, color, and cultural relevance to daily life. It's our neighbors to whom we wave 'hello' while hiking at Rock Springs, or sit beside at a Kirkland Fine Arts Center performance.

And it's our families who grow up benefiting from our commitment to each other. Because Decatur understands that it doesn't just take a Village. It takes Villagers.

On behalf of Brinkoetter Realtors, welcome to our Village.
